15           Q.    Okay.  And last we spoke about scheduling  
16   this deposition, I also asked you about coming to  
17   trial, and you said you were willing to, but you  
18   needed to get permission from a boss.

19                    A.     Yes.

20 Q. Have you secured that --

05:19:55

21           A.    I have not raised this topic.  He was out  
22   for a while and just came back, and I haven't talked  
23   about this yet.

24 Q. I don't suppose you're aware yet, because  
25 it happened right before you walked into this room,
